Congratulations! Your employer is helping to make high-quality, more affordable health insurance available to you through the Commonwealth Choice program. This notice provides important information about your new Commonwealth Choice health plan options. It includes telephone numbers for you to call if you have any questions. Please review this information carefully.

Your participation in the Commonwealth Choice program is up to you. It is completely voluntary.

Choosing a Health Plan

To get started, you will need a user ID and password. Use them to apply online at www.MAHealthConnector.org or call 1-877-MA-ENROLL. If you did not receive a user ID and password, please call 1-877-MA-ENROLL.

You can choose from several Health Insurance Carriers, grouped into three different benefit levels to help you compare. You can decide whether you want to include family members in your health plan. You can choose the coverage option that is right for you. Commonwealth Choice plans are offered by major Massachusetts health insurance companies. All Commonwealth Choice plans carry a Seal of Approval from the state's Health Connector. This Seal of Approval ensures high quality and good value. This is real health insurance with real benefits.

Remember, all Massachusetts residents who are 18 or older must have health insurance beginning July 1, 2007.

Premium Payments

You must pay the monthly bill for your health insurance premium to get Commonwealth Choice benefits. Your monthly premium payment will be deducted from your paycheck and your employer will send the payment to us for you. This bill must be paid in full for your health insurance benefits to begin and continue. If your paycheck does not cover your monthly premiums, please call the Commonwealth Choice Customer Service Center about payment options to keep your coverage going. You are solely responsible for the entire premium cost of any Commonwealth Choice coverage you elect.

Questions

If you have questions about this letter, about the benefits available to you under Commonwealth Choice or about choosing a health plan that is best for you please visit us online at www.MAHealthConnector.org or call the Commonwealth Choice Customer Service Center at 1-877-MA-ENROLL (1-877-623-6765).
